FABRICS

Jardinico offers the best quality fabrics for the softest fitting and most luxurious look. All fabrics can be used in- and outdoor. Every fabric is provided by a waterproof coating at the back, is UV/fade resistant and 100% recyclable.

All mattresses and cushions are filled with Quick dry foam. An advanced, high performance foam, developed for outdoor applications. The combination of your chosen fabric and its filling makes the cushion water resistant and allow maximum air circulation to keep the drying time at a minimum.

The category and price of the mattress, cushion or pouf depends on the type of fabric.
Fast Stock = immediately available, other fabrics on order: 6 to 8 weeks delivery time.
